

VALLEY BROOK

COUNTRY DAY SCHOOL

December 14, 2009

Dear Prospective Valley Brook Parents,

Thank you for your interest in Valley Brook Country Day School. Valley Brook has been a family owned and operated school focused on educating young children in the community for over 50 years. We offer a wide variety of programs from Mommy & Me through full-day private Kindergarten, as well as Kindergarten Enrichment for those students attending Washington Township's $\frac{1}{2}$ day Kindergarten program.

Three items make Valley Brook unique: our **Staff, Setting, and Program**. The Valley Brook **Staff** is the most mature, experienced and creative staff in the area. Many of our teachers have graduate degrees in various areas of education including Special Education and School Administration. Valley Brook is **Set** on a magnificent 50-acre private wooded campus. Students enjoy all that our surroundings have to offer during exciting programs such as hayrides, pumpkin picking, and a Native American Pow-Wow in the fall...sleigh riding in the winter...a Family Fun Day in the spring...and Physical Education and Nature throughout the year. Our unique **Program** offers a true school environment. It includes outside specialists for Nature, Music and Physical Education, regular trips to our School Library, a non-denominational environment where children learn about and celebrate a wide variety of holidays, and innovative, stimulating, and exciting learning each and every day in our nurturing classrooms.

Enclosed please find our 2010-2011 registration information and application. Applications are now being accepted on a first come/first served basis from families new to Valley Brook. After completing registration from our current Valley Brook families, we will begin placing new students into classes based on the order applications are received. An important element of the Valley Brook experience is limited class sizes. So that your child is placed in the class you want, please reserve a place now by returning the enclosed application as quickly as possible.

If you have any questions or would like to arrange for a school tour, please feel free to call us at (908) 876-3840. Roz, Jed and I, along with the entire Valley Brook Staff, look forward to welcoming you and your family to the Valley Brook family for many years to come.

Very Truly Yours,

Lynda Pepe

VALLEY BROOK

COUNTRY DAY SCHOOL

“LEARNING THROUGH PLAY”

The Valley Brook Country Day School environment is carefully planned so that each child has multiple opportunities to discover, create and grow in a warm, stimulating and informal atmosphere. Our objective is to educate as well as nurture children and send them home happy, satisfied and enthusiastic about their school experience.

Our curriculum is based on a weekly theme which is introduced and reinforced through a variety of learning activities and projects that incorporate readiness skills, language development, math, art, science, music and free play.

We offer programs ranging from Mommy and Me (starting at 24-months) through Kindergarten. We utilize a sequential curriculum which serves as a foundation for learning at each new level.

Our program promotes participation in activities that develop gross motor skills, fine motor skills, conceptual skills, social skills and emotional skills. We offer a creative program that recognizes the differences in children and meets their individual needs. Below is an explanation of our philosophy and objectives as viewed through the eyes and mind of a child.

“GIVE ME A WORLD”

Give me a world. Hills to climb. Streams to play in and explore. Make it a world small enough so that I can learn. Let it have animals that I can love and people who will like me. Let my world have reasons that will not try to change me completely and will accept much of me as I am. I hope it will help me be happy and allow me to help it be happy, too.

Most of all, I hope it will show me how to do things on my own and make me feel good about myself.
