December 13, 2010

Dear Prospective Valley Brook Parents,

Thank you for your interest in Valley Brook Country Day School. Valley Brook has been a family owned and operated school focused on educating young children in the community for over 50 years. We offer a wide variety of programs from Mommy & Me through full-day private Kindergarten, as well as Kindergarten Enrichment for those students attending Washington Township's  $\frac{1}{2}$  day Kindergarten program. We also offer a Before Care program starting at 7:30am and an After Care program ending at 5pm.

Three items make Valley Brook unique: our **Staff, Setting and Program**. The Valley Brook **Staff** is the most mature, experienced and creative staff in the area. Many of our teachers have graduate degrees in various areas of education including Special Education and School Administration. Valley Brook is **Set** on a magnificent 50-acre private wooded campus. Students enjoy all that our surroundings have to offer during exciting programs such as hayrides, pumpkin picking, and a Native American Pow-Wow in the fall...sleigh riding in the winter...a Family Fun Day in the spring...and Physical Education and Nature throughout the year. Our unique **Program** offers a true school environment. It includes outside specialists for Nature, Music and Physical Education, regular trips to our School Library, a non-denominational environment where children learn about and celebrate a wide variety of holidays, and innovative, stimulating, and exciting learning each and every day in our nurturing classrooms.

Enclosed please find our 2011-2012 registration information and application. Applications are now being accepted on a first come/first served basis from families new to Valley Brook. After completing registration from our current Valley Brook families, we will begin placing new students into classes based on the order applications are received. An important element of the Valley Brook experience is limited class sizes. So that your child is placed in the class you want, please reserve a place now by returning the enclosed application as quickly as possible.

If you have any questions or would like to arrange for a school tour, please feel free to call us at (908) 876-3840. Roz, Jed and I, along with the entire Valley Brook Staff, look forward to welcoming you and your family to the Valley Brook family for many years to come.

Very Truly Yours,

Lynda Pepe
